Response to Amendment

1. The amendment received 9/15/05 has been entered in full. Due to the cancellation of the rejected claims and the rewriting of the allowable subject matter into independent form, the application is now in condition for allowance.

Reasons for Allowance

2. Claims 3,5-6,12-13,17, and 19-20 are allowed.

The following is an examiner's statement of reasons for allowance: Claims 3,5,15,17, and 20 were indicated as containing allowable subject matter in the previous office action. Since the claims 3,5, and 12 were rewritten in independent form to contain all of the limitations of the dependent claim indicated as allowable they are therefore in condition for allowance. Claims 6,13,17, and 19-20 are dependent on allowable claims thus are allowable for the same reasons.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
